“ *So many wonderful memories to share. Ron introduced me to Bruce Springsteen, The Outfield, local band Orange Roughies. We enjoyed camping trips, drives in his little black Fiero through the West Michigan countryside. A trip to California where we drove down the coast. Ron was always happy, always positive and upbeat, his laugh was contagious. Ron was one of the kindest men I have known, God Bless you Ron.*

“ Thanks for the memories Ron, you introduced me to Bruce Springsteen, The Outfield and we can't forget the local band Orange Roughies. Your love of music new and old was contagious. Camping trips with friends and family, drives through the West Michigan farmlands in your little black Fiero and a trip to California, driving along the coast are some of my fondest memories. You always had a smile on your face, always upbeat and positive. One of the kindest men I've known. God Bless you Ron ❤️🙏.
