“ He was my grandfather. I was his firstborn grand-daughter. Even though I am not speaking to my family at this time, I am beyond torn up inside. He was the only one whoever defended me. I will never forget the nights I use to stay at Grandma Sue's and Grandpa Ron's when I was a kid, he was always watching some sort of scary movie on AMC or Sci-Fi channel. He always made me smile. He was a great Grandpa and I am gonna miss him. If you read this Grandma Sue, I am so sorry for your loss, especially when he was your other half. It must be tough for Buddy too, Grandpa was his best friend. I just hope you are doing ok. And just know you now have him as your guardian angel.

*RIP Grandpa Ron.  
I miss you and love you.*

“ My wife and I had the pleasure of being neighbors with Ron. It was always nice to chat with Ron by the fence as we watched our little dog try to boss around Ron's dog, Buddy. :-)

“ Met Ron by way of being a good friend with his brother Kevin for many years. Fondest memory of Ron was spending nights together at the bowling alleys...Ron was a good bowler and always had a good time on his bowling night out!

“ Uncle Ron cared about people and he always made a point to come over, say hi and have a conversation. I remember he liked to joke around a lot too at Nana's house. But Jaclyn nailed it. I will forever remember " see you later" and never say goodbye. See you later Uncle Ron! Hugs, hugs and more hugs to our family as they grieve dad, grandpa, uncle, brother but most of all friend.

“ To the family of Ronald Marcola: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
