“ *Dear Lisa, Susie, and Chris, I am so sad to hear of your dad's passing. He was such a kind and caring man, and always had something nice to say when ever I seen him at Mass. I will always have great memories of when all us kids hung out, and always remember your parents friendly advice! I wish I could have made it to the funeral but I just heard about your dad. (I now live in the UP) Sending prayers to you and your families. Love you xoxo ~ Nancy Berry (Milbreath)*

“ To the family of Ron, I just wanted to send my deepest condolences. Your father was an amazing man many times my father Chuck that worked with your father for many years would share what a kind and wonderful person your father was. I feel some of my fathers best years were working with your dad at J & J and that was because of the wonderful work family he had created. Your father really enjoyed his employees and treated them like family. Just recently him and my dad spoke. We just found out about your father just know we all send our love!
