“ Dad, it's taken me days to think of just the right thing to say. I miss you soooo much. I miss your wisdom, your smile, your laugh, your sarcastic look when I say or ask something dumb. I miss asking you how to do things or how something works. There isn't a day that goes by that I don't think of you. They say a girl finds a guy that resembles their dad. Well, dad, that's why I'm still single cause no one comes close to being like my dad. I will forever love you and you will always be in my heart. A girl is never too old to need her dad. You will never be forgotten. You will always be my hero!! I love you!!

“ Dad I will forever love and miss you. The boys are to young to have lost you. Please be their gardian angel and watch over them and keep them from harms way. Thank you for being such a great dad. I wish I could hear your voice one more time even if it is to yell at me. Gonna miss holding your hand. My hope from all this is that you are free of all your pain and with loved ones - including Dusty, Peewee, Cindy, Probie, Poopy Bird and Wiskers. LOVE YOU!!!
