“ *I met Ron through my best friend Doug. Doug is married to Ron's daughter Brandi and through the years I was priviledged to spend many happy and memorable moments with them. Things ranging from a graduation party for Shelly, sitting on his boat in the back yard watching the fireworks over the lake, to helping his family in the trying times during the last few years. Ron was always a positive thinker and was always concerned with the things going on in your life. Ron was always there with an encouraging word and of course a shot or two or more to seal the deal. We will all miss Ron but are comforted to know that he is no longer suffering and is at peace. Our thoughts and prayers are with his family and friends during this trying time.*

“ *In Memory of Ronald Martinko, Ron was not only one of the finest bosses in the world, he was the greatest person anyone would want to meet. Ron was very caring, and done anything for anyone. It was a very sad day when Ron had to leave his company when he became ILL. We are saddened even more now that he is no longer with us, but he will always remain in our hearts and minds. We wish all his family members the best, and keep your strength God Bless. I miss you Ron, your employee, and friend Jack*
