“ To Ron’s family and loved ones, we are so very sorry. We have known Ron a long time...since the day he and his family moved in across the street many years ago. He was a wonderful neighbor and friend, always willing to lend a helping hand or offer a listening ear. And he gave the best hugs! He was a wonderful cook, loving to share his delicious creations. Our almost 3 year old granddaughter also loved “Mr. Ron”. She watered his plants while he was away in the hospital. He loved giving her popsicles. He will be sorely missed by our entire family.

“ Ronnie was the absolute best! I met him when I was seventeen, first time I went to a MNP Christmas party with my now husband. I have know him for 44 years and he was my favorite. From day 1 he treated me as if I was a great friend. He made me laugh everytime I saw him. My heart is broken and I will miss him dearly. Love ya Ronnie.....

“ Ron was the first person I met when we moved into our house and he built me a flower box and I stalled it without me even knowing while we were out. He was one of dearest most beloved friends. In the past 15 years we have joked and talked about anything and everything and always there to help me or my wife with anything wood related LOL I am not good with wood at all. I could never repay for the kindness and help he has given me I only wish I could have helped him more. My wife and miss and will continue to miss him dearly. REST IN PEACE my friend until we meet again.
