“ I only recently heard of Ron leaving this earth, but you know, he is surely fishing in better waters. I was Ron and Don's classmate (class of '66) at Grandville High School. I remember Ron as a fun loving, optimistic, friendly guy who not only had a good word for everyone, but he took time to talk to those of us who were not hip, popular, or even fit in. That was Ron's special gift.....to not only be a friend, but to welcome them. I remember his joy at having his first Cushman scooter (the ride up Johnson Park Hill was a killer) and giving rides to friends. Later, he gave me work with catering services, and we had fun with that. Sadly, I lost track of the twins, but never forgot them. Go with God, Ron. The fishing and the cooking are much better there. Farewell...Roger A. Hofstra, Palm Springs, California.

“ My deepest condolences to all of the Sharp family. He will be missed. I met him when I was an elected trustee in Shelby and later Supervisor. If I had a question about an issue I would call Ron up. He would give me a good answer that was not political in nature. He was a spokesman for the regular guy in life and I always respected him for his viewpoints. Good to see the family at church tonight sorry I could not be around for the service. My feelings tell me we are better off in life with men like Ron Sharp! He will be missed but never forgotten.

“ Ron will be dearly missed by my family and I. We only knew Ron a few short years, but his hard work and dedication to the LSCWA and the sport of fishing was very apparent. Ron never thought twice about volunteering his time and energy, making so many club functions memorable for us all. Our prayers and condolences go out to his family, and paraphrasing Ron's words of prayer which he said so many times for club members who had passed before, I know God has judged Ron "Big enough to keep"

“ Dear Family of Ron, I was so very fortunate to work with Ron this last year at JSS. He was such a kind and warm man. I will always remember how he took the time to wish everyone a good Holiday when those came around and how he would always tell me to take care of myself when I was sick and had surgery. He was such a good person and he will be and has been missed. Please know you all are in my thoughts and prayers and may God comfort you and give you peace during this difficult time. Kelly
