“ Bob, Laura, Sandy and Jeff, I am so sorry for your loss. You are all in my thoughts and prayers at this difficult time. I have so many fun memories throughout so many years and I will always have those memories especially the one of your mom always saying to me that when she watched me as a young child, I didn't want to take a bath ha! ha! What would we do without memories! Moments we will always hold on to. God Bless you all.

“ I have known Rosalie my entire life having grown up two doors down from the Dupreys. I have many fond memories of her from over the years. Rosalie has always welcomed me into her home, as a child when I was knocking at the back door (probably a little too often haha), as well as now when we have all grown up. I have always looked forward to seeing her at all the get togethers over the years. She always had a nice hello and smile on her face. I'm sure her and my mother will be having a cup of coffee together real soon, just like old times.

“ I have fond memories of Rose sitting and chatting with her at a table in the narthex after Sunday morning worship services at New Hope UMC... I would ask how she was and her reply was always I have my good days and my bad days... I know that she made my days better just to spend a short time with Rose...May she dance with the heavenly Father as we join in celebrating the birth of our Savior Jesus Christ this Christmas !!!

“ My loving Mom,

While I will always miss you, you will forever be in my heart. You were not only my Mother but my friend. I will miss your laugh, your smiles, your hugs and kisses, and being there when I needed anything, even if it was just to talk. I will see you again one day; until then, I know I have a special angel watching over me.
