“ *Dear Tim, I am very sorry to hear about the loss of your mother. In this difficult time, please know that you and your family are in my thoughts and prayers. I recall many conversations we had about your family and how often you spoke of your mother. Although I didn't personally know her, I feel like I knew her cooking – through you - and your fabulous macaroons, and all the other cooking tips & tricks she taught you. Although she has physically passed on, all the wonderful memories are never forgotten. If there is anything I can do, please don't hesitate to call.*
