“ *Such a spirited, spunky gal! Haven't forgotten celebrating the Chicago family's holidays over the years usually at Aunt Phil's when the subject of "Canada" would somehow in good-natured jest always work its way into the conversation. This news is an unexpected and sad jolt to our day, our thoughts are with you Dennis, Rachel and Steven.*

I don't know if this is the same Rose and Dennis that was stationed at Vandenberg AFB Ca in the late 1970's. We were neighbors on Airport in Lompoc Ca. Rose was a very nice person with a sense of humor. My son played with Jamie. I often wondered what happened to them. Dennis got transferred to Rome New York I think. My thoughts and prayers are with you always. Bonnie Altic at that time.

“ Aunt Rose was the fun Aunt!. I will always treasure memories of Christmas when she was still just dating Dennis, and early in their marriage before kids of their own. She always bought the coolest clothes. Me being not “stylish” by nature, always loved what she got me and would wear whatever “cool sweater” or etc she got until thread bare.

Another fun memory is her taking us downtown to shop.. It was a huge adventure in the 60/70s for me as a young kid. I recall amazement at her ability to quickly parallel park. Funny the things you remember.

Aunt Rose was well loved and will be missed..

Condolences to all our family(s)....

“ The minute my sister Janice and I met Rosie we wanted her to be our Aunt. She was so loving and kind. One summer I stayed with them for a week when I was around 12. Rosie gave me a permanent on my hair. Well, it worked! My hair was out of control for months. She put a big bow on my head and we were done! Quite the sight! I loved her with all my heart. I hope she and my dad are having a Southern Comfort cocktail watching over all of us. Much Love Aunt Rosie. ❤️❤️❤️ Donation made to Alzheimer's Association.
