“ *Arvid, we share in your grief and sorrow, for we too have also lost our precious little granddaughter. However we can take comfort in knowing she is in Heaven with our Lord. Words sometimes don't express our feelings or emotions, but I think Leah expressed it best when she told Skylar, 'God needed another little angel and He chose Rosie.' We can also take joy in knowing that we will one day be with Rosie. Grandma, Papa, Bryce, Nana & Family*

“ Arvid, It's so hard to put into words what i want to say to you. So for now just know im praying for you and im here for you too. Its difficult to find any comfort right now, knowing your Lil Angel will have eternal youth and will be forever playful and keep all in Heaven smiling, especially when they hear her little giggles, may help in time. All my love!

“ I would like to thank Arvid for bringing me into their lives and asking me to be Roses caregiver. I have learned so much from a 5 year old, patience, understanding, unconditional love. We had a lot of our own little special times together. Whether it was going to the park, shopping which we did a lot, or me staying the night and just having cuddle time and a movie. But my all time fave memory is when I woke her and AJ up cus it was really windy outside and they wanted to fly their kites all week so we were all out in our PJ's at 8:30 in the morning in the middle of the front yard.

“ Arvid, I am terribly sorry for your loss of Rosie and to all of your family members that too are experiencing the loss of a sister, brother, Godchild and or family member. It grieves me deeply to imagine how you and your family members must feel. I hope you find some comfort knowing that God accepts young innocent children into heaven understanding that Rosie is in a blessed place now. Unfortunately, I will be unable to attend the services this saturday, however your daughter Rosie will be in my thoughts and prayers.

“ We are so sorry for your loss! Rosie was so precious and loved by all who knew her! She stole our hearts on one Sunday morning when our son Lucas was nervous to go into Sunday school class, she grabbed our son's hand and said "It's ok you can go with me". She will be so missed! We are praying for your entire family, and you will be on our minds and hearts!
