“ *Im so devastated to hear of Rosemarie's passing. As a neighbor, I always enjoyed chatting with her and looked forward to seeing her. She was always so kind to me and my dog and we loved spending time with her and her sweet Oreo. She will be so deeply missed. My heart goes out to her family and friends.*

“*Rosemarie came to my hair salon, called Hair Razors and it has been a pleasure to have her as a client. She also came to get her nails manicured by our nail tech Kris, who also thought she was a great lady as well as being independent and just a pleasure to be around.*

Her smile will be missed by us and our condolences to the family as I felt like she made me part of. Thank you, Rosemarie and you will be missed by everyone.
