“ Rosemarie woww what great times with you and Tom. At our cottage and house , many laughs . You had such a great sense of humor. Everyone enjoyed being around you. What a trooper on our cruise in Europe, after your stroke you did everything walking on cobble stone streets with a cane not an easy trip, you never complained. After that trip you were our hero, RIP our beautiful Cozen and friend. God bless Tom and the family.

“ *RIP Rosemarie. I remember growing up and always spending a few days to a week at your house and playing and swimming with Debbie and Cheryl. A couple years ago you came to my house in Florida and we had a lovely day together. I will always remember you, my beautiful cousin.*
