“ *We wish to send our deepest sympathy..We will miss Rosemary very much and we're blessed to have had her friendship. She was a wonderful person who tried to help everyone. She shared her love and did not judge anyone. No words can express the sadness felt today. May we find comfort in her memory and in each other. All our love and prayers, Sue & Bill*

“ *In addition to being a wonderful mother and sister, Rosemary was also a terrific Aunt to my wife, my boys, and myself. Rest in Peace.*

Aunt Rosemary, thank you for teaching me that life doesn't have to be perfect. Like a quilt, the mistakes and detours are all part of the journey and add to the imperfectly perfect outcome! You always found the silver lining in even the toughest of situations. I love you and will miss you dearly! So glad you were able to sign Levi's baby turned toddler quilt. It makes the quilt even more special.

“ *My Sister was my best friend, confidant and counselor. We shared stories, recipes, heartaches, pains, remedies & life's events almost daily and were far from done.*

We could laugh at each other and cry together. Her gift on my shelf reads "I smile because you're my Sister; I laugh because there's nothing you can do about it!" Not that I ever would. Our love for each other was deep and everlasting.

She was the best Mother and provider to six wonderful children, and earned all our respect for her sacrifices. I hope God appreciates her beauty and many talents as much as I have.

May His Amazing Grace hold her and comfort her until we meet again.

“ Rosemary was my very best friend. We drove miles and miles to many quilt shops. We laughed till tears ran out of our eyes. Oh how I miss her and will for the rest of my life. Rest easy dear friend until we meet again. ❤️

Rosemary and I were cousins. Our mothers were sisters. In our younger years we were so close. California took her away for a long time. She will always be in my heart and prayers.

“ I shall forever treasure your loving Mom and how she so graciously gave of her time, energy and love, to sew our grand baby Bri's mittens. These were not just ordinary mittens! They were super hero mittens, sewn by your loving Mom. They had special ties at the wrist, that your Mom so lovingly placed, so this very wise baby could not teeth the mittens off with her teeth and subsequently ripe open her itchy, skin grafts. Your beautiful Mom then took the rest of the left over material and lovingly sewed Bri a quilt. It covered her on her numerous hospital journeys, as Morgan made it a part of Bri's nighttime pray and routine ❤️.. our entire family's deepest sympathy on your tremendous loss, of such a beautiful soul💔
