“ I miss your trips out to visit us in Portage. I know that some of those trips were harder than others as you had to be a caretaker to Paul, the cats and me. We always had a great laugh and I will miss your wonderful sense of humor. You welcomed me into the family the day I met you and I had a good chuckle when you gave me "Paul's papers". Your smile will be in my memory forever. I love you. Ginny

“ Dear Mom - I don't think there is enough time or space to say what I would like to say except that you are a beautiful mom to all of us kids Karen, Tom, Jeannine, John, and myself and a beautiful wife to Dad. You have taught us the values of Love, Patience and Importance of Family. I am proud of all we have become because of how you and Dad have raised us. Sorry about the mess on the kitchen table before model airplane contests and all our shenanigans throughout the years. Your patience and love prevailed once again. Thank you for all your help with Ginny and in life. I love you and you are in my heart always. Love - Paul

I am a former neighbor of Rosemary and Tom. Our children played together when they were young. I was looking for Rosemary to catch up on our lives. It was so sad knowing she had passed away. She was a lovely friend and neighbor. My heart and love goes out to all the family. I moved away many years ago. Lois Barsuhn, Edina, Minnesota
