“*Rosemary is the best of everything, Friend, Aunt, all around wonderful individual. Whether helping at the church office, as a member of a counting team, or working in the church with others never a cross or angry word did she speak. Always a positive person even when she was in pain. My prayers continue to go with you always. I will not be able to come to see you off but know that I will be there in spirit. Love you. You are in Gods arms. Amen.*

“*Some people only know how to give one way - with a both arms wide open and a bright smile. I always felt Rosemary was genuinely listening any time we talked - even when she was in the hospital. She was quick with a smile and desire to help. I loved her infectious laugh.*

Her nieces, nephews and grand-nieces/nephews were very much like her own children to her. And talking of them brought a joyful smile to her face.

A bright light has gone out in this world, but lives on in fond memories.
