“ Dearest Lion Dianne, I am genuinely disheartened to learn of the passing of your Dad and one of the greatest gentlemen that I have had the pleasure of meeting. I will forever and most fondly remember his endless contributions to the Beverly Hills Lions Club and all that he did to see that the group worked together for the greater good of those less fortunate. I wish I could be with you at this time to give you a hug and share with you in person how much I will miss your Dad. He is now helping out those in Heaven who need his wit, his humor, and his special way of showing just how much he cared about his family, his friends, and his country.

“ Dianne, We will miss your Dad and his great stories. Sitting on the front lawn at the cottage and having him come over for a few laughs will always be the way we remember him. One phrase we will pass on to our boys is "pipe down foul ball". God Bless, Brian and Heidi Jenney

“ Dianne I am sorry to hear of the passing of your father. It was a great pleasure to have known him over the years. He added a lot of color to conversations, especially the ones of his past, ones I'm sure you will remember until the end. He was a great man and one that will be missed by all. We will be thinking of you during this difficult time. Doc and Chuck xo

“ We enjoyed visiting with you both at the cottage. Ross gave us some interesting stories and remembrances of his military service. He was on active duty right to the end. See you in the summer. Love Jim and Bev D'Anna
