“ I met Ruben through work at Steel Industries. He worked the afternoon shift, while I work the day shift. Even though we only spoke at shift change, with a quick "hello" or saw each other in the locker room, as one of us was changing to go home as the other was changing to start our day, Ruben was the kind of guy who was easy to like. He was soft spoken, friendly and always seemed in a good mood and even- tempered. We all in the machining department were surprised to hear of Ruben`s illness and saddened to hear of his passing. He was a great guy who will certainly be missed!
