

## Rudolph James Giles

January 7, 1949 - January 14, 2014

Rudolph was a 65 year old man. He had been living at Judges Court for 20 years and was truly a part of our family. Rudy was a very happy, outgoing, and playful person. At times, some may consider OCD, he always liked things in their place. If a chair wasn't pushed up to the table, he would walk over and push that chair in along with all other five chairs. Rudy liked routine. He attended DES for 20 years. He seemed to know when it was time to leave and would sometimes get his coat as it telling staff "come on - let's go!". Rudy absolutely loved the outdoors! He would go to the picnic table and lay down on the top of it, smiling from ear to ear. Although Rudy could not talk, he would definitely let you know what he wanted. Either by yelling or grabbing your arm and lead you to what he wanted. Rudy will truly be missed at Judges Court. There were staff that have worked with him for many many years and have wonderful memories of him being so loving and caring. Friday, January 17th, 2014, visitation 10am until time of 11am service at Wm. Sullivan & Son Funeral Home, 8459 Hall Road 3 blocks east of Van Dyke Utica.

“ I am Melvin's older sister. I remember when he was sent away to a home, right after we joined a Catholic Church in our neighborhood on West Eight Mile Rd in Detroit. I was very young when he was sent to a home up in Lapeer. That's all I remember. Over the years Mama stayed in touch. After she passed in 1991 no more correspondence came. As a result, we, the family was never notified of his death. I just went online and found him here. It's all so sad. Three other members of our family suffered from mental illness. They were twins and one sister. So, this affliction seems to run in the family, and I had my hands full helping our mother deal with all of it.

*I thank all the people who cared for Rudy. You are truly God's angels. May he rest in peace.*

“ I am so sorry for the loss of your loved one. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.
