“ I just learned of Russells passing yesterday. I am so very sorry for your loss. He was such a genuine, caring, nice person. I was a customer of his. He always greeted me with a smile and we would chit chat every single time I came through his drive thru. I can 100% say that he will truly be missed by me and I will never forget his kind smile.

“ Just want t take a few minutes to extend to you and your family during this time of the loss of your son, brother, and uncle, Russell Morrison. I have gotten to know Russell for a few years there at the Hazel Park McDonald's. He was funny at times andthen he was a person who would help anyone out when needed. My prayers and thoughts are with you all today through our Lord and Savior Jesus christ. May he rest in peace and knowing that he is home with our Heavenly Father, Jesus Christ, where there is not pain, health problems, etc. May the prayers through our Lord and Savior, bring you comfort and peace in the days ahead knowing that he is free from everything. God's love and comfort be with you all today and in the days ahead.

“ He was a smiler,that's true. Whenever I'd see him he seemed content, relaxed.Hunted ,I know, with Glenn,Frankie,Dave, Marty,Greg and a few other guys up at the Evert property each year.I was the other half of being godparents to Shannon with Russel.He outshined most all godparents, me included.Helped out all the family whenever he could. Such a good man.He'd tell a story while laughing about it, made me laugh before the punchline.I am praying for all the family during this time of Russell leaving us and joining God.

“ Whether we saw Russell often or if it had been a month or more, Russell was always the best of friends to us. Russell was a good man always putting others need before his own. We shared many times together both fun and meaningful. We are devastated by his loss and will always remember him as a true friend. We have lost a great friend and the world has lost a good man....

“ Russel was a cherubic faced teenager with a big genuine smile that caused his eyes to scrunch up like he was squinting, a rye sense of humor and laughter on his lips. He was a big guy but no bigger than his heart. I haven't seen him for over 30 years but I hope he never lost his smile and the sparkle in his eyes that made so him special. That's how I remember him.
