“ *I cant believe my friend is gone. I haven't talked to "Bear" in years. I was going through some old applications for police departments in my brief case and ran into his name and address he wrote down for me. I thought let me call him and see how he is doing. The first google search to get his number was bad news. My prayers go out to his family. He was the best guy I known. Too bad I couldn't say goodbye.*

“ Russ was always a father to me from 1970 on. I got the greatest pleasure to make him cry at his retirement party by surprising him and flying in from Florida. One small item I could give to him after so many years of him giving his love and guidance to me. I will miss him so much but am so honored that I got to be a part of his life.

“ I've known Russ for close to 39 years. He started working at the Utica P.D. shortly before I started working at the Sheriff Department. He was a man you could always depend on! I also worked with Russ in M.A.T.S where he was the executive officer. He loved his job but much more importantly he loved his family! I am so sorry for your great loss. My prayers are with you, Russ' family, that you will be comforted and cared for. Sincerely, Jim Scanlon

“ I have such wonderful memories of Russ. Most of these involve my being a child and Russ dressed up as Santa Claus at the Sterling Heights Police family Christmas party. I still sat on his lap when I was in high school. It was at this time I fondly began referring to him as "Santa Groper". He was a wonderful man that will be missed terribly!!

“ To the Family of "Officer" Reiterman. I am so sorry for your loss, I often tell stories to my friends of my MANY run ins with Officer Reiterman, and I have never told any of these with out a smile on my face. He was always fair, and sometimes just devilish. I can not tell you how many times he pulled me over just to say hi. As I type this, I have to stop, because my thoughts are interrupted by "another time when I was pulled over" type stories. I enjoyed the opportunity to get to know him on both offical buisness, as well as personal, and wished I would have been able to keep in contact with him in the years after. I was lucky enough to experience one of those huggs you are all talking about at Utica's 100 birthday, I had just walked in the hall when I I was suddenly picked up, and crushed..He was Great People, there needs to be more like him!!

“ Mr. Reiterman as I knew him when I was little was a good friend of my parents, and he will always have a special place in my heart. When I was 10 I was frightened by a man outside my window in the middle of the night. Mr. Reiterman came to our house when my mom called the police. He sat on the edge of the bed with me and my sister, hugged me and told me he would protect me. The next day he brought me a little pewter "guard pig". For 30 years it has watched over me from the top of my dresser, the china cabinet, the mantel over the fireplace or the top of the television where it still sits today. Thank you Mr. Reiterman!

“ Russ, It was heart breaking to hear of your passing. Our badges may have been different, but our jobs were the same. Your advise and wisdom helped me with my career. We still laugh about you and April walking down the aisle at our wedding with her being about 4ft. 5in., and as tall as you are. Seeing you and Linda dancing made our wedding night bright. As long as I can remember you have carried all of us. you've never asked for nothing in return. For all the people that you loved, we all loved you back. You've made all our Families strong. So, Brother, it's now time for you to rest and spend an eternity with Linda in heaven. All our love, Bob Sr., Marsha, April, Bob Jr. & Alexis Adair

“ Bear retired the year i was going into high school but he greatly influenced the life of my older sister Debbie Sadosky Kies. The fondest memory I have of Bear was the year that i had to be 13-14 years old. My sister got the chance to sing at the Pistons game because of SADD. I heard rude and nasty profanity behind us and asked politely if the men would stop. The rest of the game they mocked me but Bear sat next to me and thanked me for what i had done and encouraged me to always do what is right. Thanks Bear.

“ To the Family of Russ, We give our many condolences to the family of Russ, better known as "Bear". We will miss his big bear hugs, his quick laughter, and his caring heart. Our children Dan & Tiffanie had the pleasure of being on the receiving end of those hugs and his friendship, when he worked at the highschool. He would call me his "angel", his guardian angel. I would share the Lord with him, and told him how much he was loved by Him. Funny thing is that he didn't realize how much he himself was like an angel. With his giving heart, in anyday situations, like when he played Santa, which came so easily for him, because he was like Santa everyday of the year. Russ gave joy! He gave joy to anyone he met; and then you were his friend for life. We will miss you Bear, our sorrow is filled with happiness in knowing that you are with the Lord and Linda, and that we will we see you one day too.

“ We feel like we have known "Bear" for a long time through Mike and Denise Grogis and family. We loved talking to him at the various parties/fun-raisers the Grogis' held. Bear shared the fresh-grown produce with Denise, Mike and us as well. This was such a blessing since times were hard for us the last few years. “ To the Family of our beloved Bear, I worked for many years with Russ at Ford II helping him with the SADD chapter. He mentored me, took care of me and encouraged me. He was a great friend. One unique memory is that he and my dad share the same birth year, month and name. I remember riding around in the truck with him on all of the SADD road rallies and sitting talking with him during all the events up at Shanty Creek. What a wonderful man. He will be truly missed. Love ya Bear.

“ Russ, I want your family to know how I first met you. I had just started with the Sterling Heights Police Department in 1973 as a Police Cadet. I was working the front desk that night. I received a call from a person asking to speak with Officer Reiterman. I put the caller on hold and asked a group of nearby officers for Officer Reiterman. I was new and did not know many of the officers. One of them rushed forward and with a stern look on his face ripped the phone from my hand and took the call. The moment he hung up the phone he grabbed a pen off the desk, telling me in a loud voice “I am Officer Reiterman”. He then wrote in BIG letters on the desk pad REITERMAN, which he circled it several times. He looked at me saying “Now do you know who I am?” Very scared I replied “Yes Sir, you are Officer Reiterman.” I will never forget that night! Russ and I had several laughs over the years about it. I will remember that night and Russ forever. I will miss him! Retired – SHPD

“ Russ was my cousin, but I loved him like a brother. A long time ago I saw Russ and Linda at Frier Tucks having dinner. It was really surprising to see him on my side of town; I live in Warren. Well a few weeks later I took Ernie over to see Aunt Bea and I told her that I saw him. She told me he said he saw my sister Eileen. From that day on he started calling me Eileen-Donna. My heart is breaking. I can't do the picnic without him. God Bless and help his family through this. Love always Cousin Donna

“ I first met Russ, the Utica Police Officer, back when I was 16 years old and had just moved to Utica when he pulled me over in my Hot Rod 60 Chevy for excessive noise. Over the years that followed, and being pulled over for one reason or another, Russ became a very good friend of mine & my family. He was a mentor to me & many of my friends and kept most of us on the straight and narrow. The one thing that I could always count on when Russ pulled me over in those day's, was that I would be picking up my drivers license from the middle of Van Dyke after he tossed it out there and a " Slow it down Punk " after Russ gave me another of " many breaks " to come over the years. Russ made a huge difference in my Life as a mentor, teacher and most of all, as a very good friend. Thanks Russ & may God bless you.
