“ Dear Lenna, Chuck, Ray and families: We fondly remember Ruth from the time she lived in Connecticut, and later during our family visit to Michigan. For so many years she and Charlie maintained a steady correspondence with our family, updating us with the latest information on all their grandchildren. They were so proud of each and every one. Ruth was a person who made our families feel so connected despite the many miles between us. She will not be easily forgotten. No one could match her skills in cooking, baking, and crocheting. She was an extremely warm, hospitable and fun loving person who always made us feel so welcome in her home. She shared many crochet patterns with our mother and we now have many crocheted items which our mother always reminded us - this is a pattern from Ruthie. The matriarch of the family is now gone, but I'm sure her qualities have already been passed down to children, grandchildren and great grandchildren. Our deepest sympathy from cousins in Ct. and RI., Bob and Fran Myszka

“ Great Grandma Ruth was an amazing woman. She was always there when you needed her and she always had a story to tell. She will always be with us in our hearts and memories.

“ I have many fond memories of Ruthie and I shall treasure them forever. I especially remember when she and Duke took care of my Mother's Aunt Beulah boarding house. I was a teen ager and Lenna was just a baby but she sure could get to unreachable places. Ruthie coped with all with that Kingsley smile. To know her was to love her. Remembered with love, Fran

“ *Lenna & Rich, Chuck & Connie, Ray & Mary and all of your families. I remember all of the good times we had when we were little kids and you lived in CT - what fun times at #5 and the farm - Remember when we all piled in our station wagon to come to see Auntie Ruth and Uncle Duke and our wonderful cousins when you lived in CT? We'll miss Auntie Ruth, but now she'll be with Uncle Duke. Love your littlest cousin - Patty*
