“ We are reaching out to all of you with love and caring hearts over the death of your Mother and Grandmother. We are looking forward to that grand reunion in heaven where we will all be together with Jesus forever. There will be no more pain or suffering, nor parting or tears -- only joy unspeakable.

Thank you, Harry and Ruth! (I am so sorry to be very tardy in checking this site for message posts.) I do remember the Harry Huff family of Toledo, and how my mom so enjoyed seeing her cousins. If I am recalling correctly, there were two boys in the family who I played with--I remember their names, but won't post without permission.
