“ *Sally, I would like to thank you for welcoming me into your family and the introduction to your brother. I absolutely love you and your family. I have never seen a stronger woman in my life and I truly admire you for that. My grandson Andrew says, "the bodyguard is in heaven with the angels now" and it is such a comfort knowing you are truly at peace. I truly believe it was fate that drew us all together on the beach that day! Love you always Denise*

“ I am so glad that I got to see and visit with Sally while I was up there for Christmas. I know how much she must have suffered. At least we know that she was prepared to meet her savior and that she will suffer no more. I'm sure that Uncle Charlie was at the gate to greet her. May God bless and look over each and everyone of you. You are all in my thoughts and prayers.
