“ *Some of the memories I will always remember with Sally is waiting for the school bus with our kids and watching our kids grow up together. Getting together to have coffee at each others houses, and Sally was always coming to my makeup parties that nobody else would show up to. I will miss you.*

“ *I will always remember Sally as always being so kind to me and always asking how I am doing and really showing she cared about what I had to say and knowing whats happening in my life. She will be missed.*
