

Sally E. Reedy

December 11, 1947 - January 20, 2026

Sally Elaine Reedy

Age 78, of Huntington Woods, passed away on January 20, 2026.

Sally was born on December 11, 1947, in Highland Park to Gustav Reich and Claudia Davidson Reich. She attended Ferndale High School and made her home in Huntington Woods since 1970. She married Daniel Reedy on July 17, 1986, in Bloomfield Hills.

Sally will best be remembered as a wonderful Mom and Oma. An exceptional homemaker, she loved to cook and bake, and her red velvet cake with buttercream frosting was a treasured birthday tradition for her family. She never missed her children's sporting events and even coached softball for her daughter, Stacey's, team. She was a loyal fan of University of Michigan football and the Detroit Red Wings, and she loved music, especially the Rolling Stones.

Sally enjoyed quiet moments coloring in adult coloring books and was known as a great listener-always having an open ear and an open heart. She was the one you could always count on, no matter what.

Beloved wife of Daniel Reedy. Loving mother of Todd (Jen) Fierro, Stacey

Fierro, Kristen Malcolmson, and Keith Malcolmson. Devoted Oma to Tabitha (Guil) Guilbert, Max Fierro, Kate Fierro, Jayden Lee, and Kennedy Harkonen. Dear sister of Al (Laura) Reich.

A Celebration of Life for Sally will be held on Monday, January 26, from 4 - 7 p.m. at D'Amato's Restaurant, 222 Sherman Dr., Royal Oak.

In lieu of flowers, please consider a memorial contribution in memory of Sally to either St. Jude Children's Research Hospital (www.stjude.org) or the American Lung Association (www.lung.org).

I'm so sorry, Stacey. I wish I had known. I certainly would have paid my respects

“ There were so many great memories as next door neighbors to Sally and Dan. They welcomed us into the neighborhood 30 years ago. The 4 of us quickly became friends.

We spent New Years together many years, and often going to dinner and the Red Wings game that same evening.

Sally was super competitive, and smart, when we often played board games until late hours in the evening. She taught us the dice game that we still play today even as recent as 2 weeks ago up north.

We did a city wide scavenger hunt together years ago that took us to several places in Detroit. Along the way, we made one stop at “Tommy’s” where Sally and Dan first met.

Sally, even watched our kids after school often while Mary and I worked. She was the type of neighbor who you reach out to if you needed an extra ingredient for dinner, or use her fridge when you needed extra room. She made the best darn taco shells !

We often spent nights talking and playing dice outside in eachothers backyards in the summers.

Sally loved to garden, and even taught a younger version of myself NOT to pick the yellow flowers on tomato plants as those are the tomato’s !

We have missed her for a while now since she hasn’t been feeling well. I hope she is pain free, and at peace.

I know she won’t miss our barking dogs :-). Inside joke. Hopefully that made her smile.
