“ My sincere condolences to the Siagkris and Phillips families. Sally and I met at MichCon and we had known each other since 1990. We became friends very quickly and never in a million years would I have ever expected her to help me the way that she did. In 1991, an opportunity fell into my lap to purchase a home. I had half of the money and Sally offered the other half. I was truly humbled, shocked and amazed by this woman. That she would do that without really knowing me or knowing that I would pay her back. It is amazing how God puts people in our path to impact our lives. Sally impacted mine and I am eternally grateful. I will never ever forget her kindness, her wonderful personality and her beautiful smile. She was always such a jazzy lady, full of spunk and life. She will truly be missed. Rest in Peace my very dear friend. May the Angels of the Lord lead you into paradise.

“ *Juli~Niko~Jose', With a heavy heart I leave this loving message for you in hopes that it may bring to you some comfort. I'm sharing your pain and grief. I was blessed to have Sally as a friend. I loved sharing time with her for so many years, creating beautiful memories. I always loved to stop by her house being so close, just to gab, grab a hug, or chalk draw with Niko. I remember all the pool parties. I would drop off the goodies in her door and she always knew they were from me. I would try and sneak to shovel her snow, but she always knew that I did that too...There was no fooling her, she didn't miss a beat. So many memories that I shall always treasure. I loved how she was so involved with everything, how she was a part of the different events we were involved in around town. Always a pleasure to see her out and about. She had a kind soul, a smile that would never cease, she was a true friend to me, she will always have a special place in my heart. I remember how she would drive by my house in her golf cart. What an amazing lady she was, now she is an amazing angel in heaven with our Father God. *On the wings of death and sorrow God sends us new hope for tomorrow, and in His mercy and His grace, He gives us strength to bravely face the lonely days that stretch ahead. To know our loved one is not dead but only sleeping out of our sight, and we'll meet in the land where there is no night. H.S.Rice Your in my thoughts and prayers during this most difficult time. Much Love, Bud XO*
