“ Dear Aunt Joan, Linda and Jimmy: I am so sorry for your loss. I wish I could have made it up there. I remember all the wonderful times held by the family and hold those memories dear. Uncle Sal was my God-Father I felt loved by him and maybe a little special because I was his godchild and I was proud of that. I can remember being given for my sweet sixteen birthday present which was 43 years ago, a white jewelry box in which I still use to this day. I will miss Uncle Sal but, never forget him. Take care and many Blessings to all the family.

“ *Dear Puglia family, I'm sorry for the loss you've suffered of your dear husband, and father . Please accept my deepest sympathy. I wanted to share a comforting message with your family from the Bible. There lies a wonderful hope for those who have fallen asleep in death and their families. God has the POWER and DESIRE to resurrect those whom he chooses. Please examine John 5:28, 29 where the prospect lies of being reunited with your loved ones again. Continue to draw close to God during your time of need as God is near to those who are brokenhearted Ps. 34:18. Hope this helps your family as it has mine.*
