“ *Sam was very nice and friendly to me, I'm his neighbor across the hall. He always spoke to my grand kids when they came around asking if they were being good to me? He gave my oldest grand daughter a card and gift when she graduated in 2020 from FHS. He was very thoughtful when birthdays and holidays came by. We gave each other cards. I would ask Sam why do you waste your stamp when I'm just acrossed the hall? He would smile and say, " I'm being a good neighbor." He was just that, A good neighbor. I will miss seeing him, and hear him saying "hello Brinda.*

For years, Sam always called us Monday mornings at 9am. We kept in touch & tried to take him out to lunch & to his appointments . We are so saddened & shocked to learn of his passing. He prayed faithfully to the Blessed Mother & we pray his passing to heaven was joyful! God Bless your tender soul. I will always hear your voice at the end of each phone call, "God Bless you & have a beautiful day." May all your days be beautiful, too!

“ Even though I didn't know Sam personally very well. I am the mother of Tyler, who lives in the same building as Sam did. I knew Sam through brief encounters while I was sometimes with Tyler and sometimes alone. Once when I was on my way to Tyler's apartment in the building Sam was waiting for his ride by the front door. I said hello Sam and Sam looked at me and said, "and how do I know you". Then I said I'm Tylers mom (my mask on, and it had been a while since I saw him last.) Then there was that smile on his face. I always noticed both of their faces light up when they saw each other. From what Tyler told me about Sam being a truly loyal, caring and understanding friend I knew Sam was all of that plus perceptive, intelligent and ever so sweet! He will be missed. May he rest in peace forever.

PS Thanks for being Tylers friend Sam.
