“ *My thoughts are with all of you...Tom, Tommy, Tammy,& Todd. I haven't been back to Michigan all that often in recent years and God knows that I'm not that great with correspondence. Please know that Sandy has a warm place in my heart. Fishing weekends when I was little,hockey games,and breakfasts with my parents and my Uncle Tom and Aunt Sandy in more recent years. She was always pleasant and with an enormous smile that was always inviting. Uncle Tom, you have great support in all the family and friends that surround you. You are not alone. I look forward to seeing you and the entire family the next time I am in Michigan. Much love, your "niece", Renee 206 2262388 Please call if you need anything at all.*
