“ I am very sorry to hear of Sandras passing. I have not seen any of my cousins in such a long time it is so sad to hear about one of them from such a sad event.

“ I am deeply shocked and sorry to hear about Sandy. We had been out of touch for many years but at one time 1968-70 we were very close. I met her at Fitzgerald HS and continued to see her after I graduated. I hope she didn't have to endure much pain and my thoughts and prayers go out to her and her family.

“ I worked with Sandy on and off through the years and she was a pleasant woman to know. From her major topic of conversation I know that she really loved her family a lot! God bless you as you deal with her loss in your lives.
