“ We were so saddened to learn of Sandy's passing. Having gotten to see Sandy last year, even though at another sad occasion, it is especially poignant now as we remember her and you, her loved ones. Wishing that we could physically be with you at this time but since that isn't possible, please know that our thoughts and prayers are with you. We will always hold Sandy in our hearts as we do all of you. God bless. Love to all, Sally and Doug

“ Sandy was and always will be an inspiration to us. Her courage, faith and determination proved that anything is possible. We will miss her smile and that special twinkle in her eye. There was nothing she would not do for her family and friends. We will miss you dearly, Sandy, but you will forever be in our thoughts and prayers. What a wonderful lady you are! Go in peace and love.

“ My condolences to the Family. May you find comfort at this difficult time by God's loving invitation to "throw all your anxiety on Him because He cares for you" 1Peter 5:7. And because God cares, you can rest your hope in His loving promise to be reunited with your loved one by means of a resurrection, on a paradise earth in peace and happiness John 5:28,29;Psalms 37:11,29. When you have a quiet moment perhaps you can view these beautiful words in your own Bible for added comfort. Take Care.
