“ Sandy...you were so deeply loved and will be greatly missed. You helped me out when I was at the end of my rope and became a beloved employer and friend. I will never forget your kindness, your always cheerful voice and everything you have done to help me in these past years. To Ken and your family, I am so very sorry for this tragic loss. There are just no words to describe what a kind and loving person Sandy was. I wish you all the best in your time of mourning and healing.
