“ My heartfelt condolences to Sandy's family and friends. Sandy was such a sweet, kind and happy person. She helped me over the past 6 years with my image consulting clients that I would bring to Nordstrom. She had such a gracious way of making them all feel comfortable, and she was a huge help to us. I will miss her greatly, and will never go into Nordstrom again without thinking of her and seeing her lovely, smiling face.

“ With deep sadness I write this condolence for the loss of your loved one. I graduated from Finney High School with Sandy and she was beautiful both in and out. From the memorial I see she hadn't changed in all these years. I live in Troy now and just a few minutes away from her. Too bad we never had the chance to visit again. I send my regards to the family and friends that have lost such a great person. Judy Merrill Woodhouse.

“ I had the pleasure of working with Sandy for many years at Nordstrom, what a great woman! After I left nearly 3 years ago, she would still make a point to catch up with me whenever I was in shopping....always so warm and kind, and truly caring. She will be missed by so many. My heart goes out to her family and close friends in this time of heartbreak.

“ Sandie was an amazing woman. There was never a moment when she was not incredibly generous, thoughtful and kind. In the recent days I've heard nothing but happy memories and kind words coming from coworkers and customers alike. Sandie has touched many lives in our Nordstrom family and I truly feel honored to have had the opportunity to work with her on a daily basis. My thoughts are with you and your family during this difficult time.

My sincere condolences to Sandy's family, I was assigned to sit next to her in John Lewandowski's English class, I think in '67 (or '68) at Finney High, she was very pretty and aged very well as an adult, she graduated in '68, I did in 1/69. I was saddened to learn of her passing, I'm now age 73, my brother Jim, Jr. graduated 1/65, he turned 79 this July. 76 of the 1969 grads are deceased, that I know about, I've done all that research of grad classes 1964-1976.
