“ *I am a co-worker of Sandy from McKesson. She was a kind woman and did always have concern for others she worked with. Friendly and most of the time cheerful and always like cracking jokes. She struggled for quit awhile with her health and now God has decided she earned her golden wings. Fly free Sandy, feeling no pain and smiling once again

“ I so remember all the fun times we shared in our younger years. We were best friends back in the day. Over the years life just changed for the both of us, but I will never forget the years we shared. I remember Sandy and I went out for my 21st birthday, because my husband at time was in Vietnam. It was a fun time.

I felt so bad when I heard earlier in the year that she was so ill and I thought and prayed for her a lot. And then just today I heard about her passing and I still cannot believe it. She was a great person and very loving. May she Rest In Piece.

My condolences to all the family.

I will always keep Sandy in my heart. I've known her since i was 5 years old. She was a part of our family. We had so many fun times together and each one I'm grateful for. She was a woman of love, courage, determination and a friend like no other. She had a heart of gold. She genuinely loved everyone she knew. She always teased me that i could still sit in her lap! And what a fantastic loving mother she was! Always looking out for everyone else but herself. A very caring, warm, loving person that i will miss so much...until we meet again. Sandy, i will love you forever. May you rest in eternal Heaven. ❤️
