“ Although I knew of Sandy's passing from her sister-in-law, Laura Miller, it was over-whelming to see her beautiful picture in the Free Press. I worked with Sandy at Harlan Elementary, and would see her at various district events. We often talked about knitting, but I enjoyed reading about her great love of gardening. I think that the obituary says volumes, that Sandy was "amazing and lovely." She will always be in my thoughts.

“ I was so sorry to hear about Sandy passing. I remember her always smiling. The thing I remember most was that as a new hire, I was sometimes lost or unsure and she was always willing to help and share.....one awful morning, my first year, I arrived to find a very very ill teacher unable to come to school and unable to communicate lesson plans, and me alone in a sea of fear...Sandy was there to help and encourage, ever with her smile. I will never forget that kindness.

“ Our Lily Club was enriched by Sandy's participation and enthusiasm. She was a doer and active participate in the Club. I especially remember our van full of gardeners going to Canada to a commercial garden. She wrote a loong list of her favorite beautiful lilies.! This fall we even used her old list of lilies to order new ones as her choices were so perfect just like Sandy. Blessings to your family who stood by her through the tough end choices. Know that we who knew her will remember her for the years to come.

“Sandy was a very lovely lady and one of the most caring people I have ever known. I was lucky to work with her for many years at Bingham Farms Preschool. Her kindness and gentleness with the children was exemplary. They all adored her. She was interested in so many things which made her so much fun to talk to. Even when very ill she was deeply concerned about other people. Sandy was one of a kind and will be deeply missed and never forgotten.
