“ *My Dear Sarah I miss you so much. You meant the world to me pumpkin. Do you remember telling me when you were little not to call you pumpkin? Then some years later you said I could. Sarah you left a big hole in my heart. I don't know if it will ever heal. Gone but you will never be forgotten.*

Sarah my heart is broken again with your brother gone now too. In 2016 before he got out of prison he told me that the 2 of you would talk about growing old together. He didn't know how he was going to do it without you. I so wish you both were still here. The whole in my heart has gotten so much bigger. Also Tommy is up there too. To many of your friends are gone. I miss them all. May you all Rest in Peace. No more heartache or struggles for any of you. God Bless you all. Take care of all my fur babies. 🙏

*Love you both always,
Aunt Pammy, Cheyenne and Rieley
XOXOXOXO*

“ Sarah, We only knew you a short time but in that short time you became family to us. It is hard for two women to live in the same house but you made it so comfortable. The house always smelled so good with you cooking all the time. Skyler loved how you took the time to help him out with his laundry and cleaning up his and Marcus' bachelor pad. You always had a smile and kind words. Life sure was entertaining with you here. We will miss you so much. God bless you and your family.

“ Sarah you will be missed so very much. You were a bright, funny, loving, warm hearted person. You were like a daughter to me. I will always love you. You are in my heart and prayers. You and Bill were each others heart and that will never change. Rest in piece, Sarah.
