“ Sarah's long life was not long enough for those who knew and loved her. The God of comfort gives us reason for hope with his promise to remember our lost loved ones, and add more years to their life by means of a resurrection. May this promise from the Almighty bring the family Peace. Isaiah 26:19

“ Such an amazing woman who raised 10 wonderful children to live full lives serving God. I'm sorry for all of your loss and also rejoice that she was with you all well beyond the typical life span. May God be your peace and bring comfort as you walk through this difficult time.
