“ Uncle Roy and Raymond I am so sorry for your loss of such a wonderful lady. I have many memories of you and Sarah coming to visit North Carolina. I also remember when we traveled to Michigan and visited with you and your family. I remember Sarah loved taking pictures and I loved that about her...family meant everything to her. I know my mother Anne will miss staying up all hours of the night talking with her sister and the many visits. I know she is celebrating in heaven with all of her family members that have left us to soon. The healing of your loss will take time, I know this first hand because the loss of my Daddy still seems so fresh but I try to focus on the beautiful life he helped to provide us with. Always know that you, your family, all of the extended Foster family and especially my beautiful, sweet Mom Anne you all are always in my families prayers. Love and prayers, Jeff, Kristy, Erika and Zac Coffey

“ I have precious memories of my Aunt Sarah. She was always so fussy about her hair and loved to make others laugh. It was always a treat to see her on her trips back to Wilkes County. She loved sharing pictures and stories of her family that we seldom saw and some we never met. She loved each of you and was so proud to call you hers. Celebrating her today and all the life she left behind in each of you. Much love, Lisa Miller Kline

“ To my uncle Roy and Raymond, I'm so sorry for your loss. Although I only got to see Sarah about once a year, it was always nice to spend time with her and your family. I'll never forget the time dad brought us to Detroit and we spend a week with your family. We had so much fun that week. Sarah's beautiful smile and sweet personality will be greatly missed! I'm sure her brother Randolph and all her other family that have gone on to Heaven was waiting with open arms to greet her. Take comfort in knowing she is well and know we will see her again some day.

“ To my sweet beloved sister Sarah, we love you and miss you so much! To her family her husband Roy, son Raymond, grand daughters Adrian and Kate I pray for comfort for all of you just knowing Sarah is no longer suffering!! And from all the Foster family here in North Carolina we send our love to all the family. I am remembering all the good times we had with visits from Sarah and Roy when they stayed at mine and Tommy's home. Tommy is in Heaven now but when we had all those visits Tommy and Roy would have to go to sleep while Sarah would stay up half the night talking, laughing, and catching up as sisters just as we did when we would talk on the phone for hours then most recently we were able to use the computer and skype and that was pretty amazing! I remember and treasure those good times with my sister Sarah!
