“ Dear Family, I was saddened to read of your loss and I'd like to extend my deepest sympathy for your dear mother, grandmother and sister Sarah. I can't imagine how her loss will affect the family. I pray that you can find hope in the Bible. Jesus Christ, thru God's Kingdom, in the Bible, gives us the best comfort during times of grief. We can look forward to a resurrection of our loved one and a time when age and sickness will not affect us 1 Corinthians 15:26; John 5:28, 29: Isaiah 33:24 Hope this comforts you like it has my family during loss.

“ It's comforting to know that you can, once again, be your fun loving self. I know you were thrilled to reunite with Uncle Bill and Joe. There has to be quite the party going on up there with all the Perainos. I'm glad you have joined all of the angels working hard to watch over all of us until we're together again.

“ Aunt Sarah, I prayed that you would have a peaceful death and the Lord was with you to bring you home. I missed the Sarah I knew and loved and it broke my heart to see you in the nursing home. My friends remember the fun Sarah, say hello to my dad for me and give him a big kiss, watch over us until we join you.
