“ Scott - I so had fond memories of you growing up. Our family lived across street and you were in my cub scout pack with Brian Tye and Tony Gully. What a bunch!!! I remember the day you got in trouble tossing water balloons into my car. I also remember the many times you came to our families aid when we needed you and how you looked over Tony's sisters, Michelle, Gina and Andrea. They too had good memories. You were a fine guy and always respectful and polite to me. I will always remember you and the years on Elmsford growing up. May you do your hunting with the angels. May GOD Bless you and your family.

“ Scott was always smiling and loved his family. I so enjoyed talking to Scott, of course so much about the Red Wings! Loved it at our fathers funeral when the minister said please just speak up about anything you remember about Mr. Newman, and every now and then Scott would yell out "Go Wings" Our Dad was surely smiling down from heaven. Scott will surely be missed, and our sympathy goes out to his family, and also to his friends that he left behind. God Bless Him on his new journey in heaven.
