“ *I moved into Berkley about three years ago. Almost every day Scott seemed to walk past my house on Cambridge. If I was outside he was always saying hello and being a friendly ambassador on his way to wherever he was off to on his travels. I had noticed his absence this Summer and I am sad to see he has passed. A good guy. I will try to continue my life emulating his tradition of being a friendly welcoming member of our community.*

“ My last road trip with My Brother to Cedar Point for My Sons 8th grade trip. We had a Blast!! I will forever remember the last coaster ride and he said “I’m done, LOL 😂. He tried to hang and you can tell in the picture he was Done!! The first person I met on August 30, 1999 and we ended up being in the same training class and we were Friends ever since. I know God makes no mistakes. He was supposed to be cruising with me and my family. I’ll have some fun without Him, but My Heart ❤️ is sad 😞... Forever “Fric & Frac”... I never knew which of us was what, But, Forever My Brother From Another Mother!!! I’ll miss you ❤️🙏... Praying for the Fisher Family
