“ Too many crazy memories to share them all! I just remember running wild with you, Darren, Brad, and others. Banana boat, Municipal Christmas Tree, all fun times as kids.

Then you graced me with the honor of being your best man, and we stayed in touch as adults. God blessed you and Rhonda with one another, and my heart goes out to your family.

Love and miss you brother.

“ I am very sadden by the loss of Scott. Scott and I worked together at Williams and while our paths didn't cross daily every interaction with Scott was memorable as we worked to resolve issues. Scott quickly became my goto guy on specific applications. While I am sad for the loss I am joyed that our paths have crossed.
