“ I can not express how truly sorry I am Nicole, Alex, and Amanda. I wish I could be there for all of you. You can call me any time. Scott was a good man. I remember when Scott and my boys were little, you just never knew what they would pull on you next and Scott was normally the ring leader. I love you guys. You are in my heart, thoughts and prayers.

“ I am deeply sorry for the loss of your son, husband, father and friend. While working at the Board office for seven years, I got to know Scott as a great guy. He was incredibly smart, talented, and so kind and helpful. Even though I left to work in other Berkley buildings, we'd catch up a few times a year. My husband and son knew Scott and send their condolences as well. We pray that God will hold you and give you peace and strength.

Dear Nicole & Family, Mary Jo,
I worked with Scott when he first started in the Berkley School District. Any "Tech" issues you had, he could fix it with a smile. Scott was a good man. He left us all way to soon. Thoughts and prayers are with all of you. Sue Thornby
