“ Dear Cousins....my deepest sympathy to you all. I wish I could be there for the Service as I would love to say my farewell to Aunt Sally in presence. But, I will do so in memory of her greatness in spirit of Faith.

I have found memories of Aunt Sally. I can remember when I was very young child, the days when Uncle Tony & Aunt Sally were engaged to be married & Uncle Tony lived in our house on Lakewood as he had just returned from Korea. (You may not even know that) but memories are there for me) He was a proud employee of New Era Potato Chip Co. in Detroit. He would bring my sister and I treats and hide them for us to find. That time in life sparks the memories as Aunt Sally came into his life and we didn't see as much of Uncle after that as there was a wedding in store for the two love birds. Aunt Sally was a beautiful bride. My parents had us outside the house on Elmdale the morning of the Wedding waiting for a glimpse of the bride and Mrs. Nader and get to St. Julianna. It was bitter cold and that is probably one of the reasons I remember it. Even at such a young age, I remember witnessing the love they had.

I don't know if you could possibly remember, but I used to come over & stay at your house to babysit you all when Aunt Sally was in hospital on occasion when you were very small. I was in my very young teens. She always was so grateful and made me feel wanted and special.

I have tears for her passing but grateful to God that he gave her a good life and she is with Him and Uncle Tony and Mrs. Nader, Fr. John and all the rest of the close family. She will be so very missed.

“ Auntie Sally was our pipeline of information about all our cousins and also about our Aunt Vee and Aunt Rita and let us know who we needed to keep in prayer. She was always a great Christian role model for all just by the way she lived her life. Aunt Sally was never afraid to give an honest opinion from her Christian prospective. I know I appreciated that quality. She even reached out and would call from time to time just to see how my family was doing and to send her love if she had not heard from me in awhile. I am thankful to God that we had her as long as we did. Thank you to her children, who are as wonderful and kind as you would expect being raised by her, for sharing their Mom so generously with those of us who lost our parents! One thing she taught me was that as a Christian we do not have to say goodbye but simply see you later! Love will still flow to and from Sally as passing from this world her love remains! God is good!

“ *I've really enjoyed hearing stories from Diane about her mother and their fun family times. After meeting Diane's brother Joe, and his wife Laura, last year and learning more about their mother, I can only imagine what a hole her death must leave in their hearts. What a fun spunky woman she was! I am sure she will be deeply missed by all the family. Know that I am thinking of you and your family at this sad time. Sherrie Borden*

“ Although I never met Sally, I did have the pleasure of traveling with Diane and Joe this past fall. If their sense of humor, kindness and friendship are any indication of what type of person raised them ..she must have been very special ! God Bless you both and your families. You are in my prayers at this difficult time. May your stories of her live on through you both and her love be with you forever.
