“*Mary Ann, Richard, and Tony, What can we say about Sergio...and all the Bollinis. You literally opened your home to us when we built our house next door and opened your arms to us and welcomed us as family. We fondly remember spending Christmas mornings with you. Andy still remembers Sergio calling him "ChiChi" across the fence. Mary Ann...although we didn't see you much over the past few years, please know that you were always in our thoughts, and as Sergio's health started failing, in our prayers. We hope that our Lord and Savior helps and comforts you through this difficult time until you see him again. All our love, Hank, Terri, and Andy*”
