

## Shannon Finley

December 10, 1976 - December 14, 2020

Shannon Finley, age 44 passed away December 14, 2020 surrounded by her loving family. Beloved wife of Steven Finley. Cherished mother of Austin Leonard, Alex Leonard, Ryan Leonard, Mackinzie McLaughlin, Jordan Finley, Nikolas Finley and Samantha Finley. Daughter of the late Mary Wojnarowski and the late Gary Daudlin and Rebecca Daudlin. Daughter in law of Rita and Dave Ryall. Sister of Karen Miller (Jim) and Michael Daudlin (Melissa). Sister in law of Jason Finley and Rachael Finley (Kirstin Brown). Also survived by many loving nieces and nephews.

Shannon was the most amazing wife, mother, daughter, sister, aunt, and friend. She loved spending time with her family, especially her children. Her two dogs, Jax and Bella, were very special to her. She was a gentle, kind person who always had an open-door policy for friends and pets alike.

Shannon loved reading, and was known for her impeccable grammar and vocabulary. She also enjoyed tending to her garden, crocheting, attending concerts with her siblings and friends, going to trivia nights with Steven, and cheering on the Detroit Red Wings.

Shannon was exceptionally compassionate with a non-judgmental nature that made people feel comfortable to be themselves around her. She was the first to offer an olive branch, was an amazing listener, and never held a grudge. She was blessed to maintain a group of lifelong girlfriends that she saw on a regular basis. One of her favorite things was hosting game night at her house with her neighbors and friends. She was an active participant in her church

community and was a devout believer in her faith. Shannon was reserved, but never shied away from a good debate. She was known for being a good listener and was always very understanding. She always had a warm, approachable way about her. Her laugh was contagious and if Shannon was smiling, it seemed impossible not to smile with her. Shannon's caring personality was present in her work as well. She ran her own house cleaning business where many of her clients, over time, became family. She was ever grateful for their love and support over the years, especially to the Brown family and to the Urso family.

Shannon touched many lives with her generous heart and kind soul. We will miss her terribly and cherish her memory in our hearts forever. In lieu of flowers, donations may be made to her family.

“ There are no words to describe the loss of Shannon. I remember so well when I first met her when Steve introduced her to me as they just seemed "to click" and were so happy as they joined their families together. I remember the celebration of their lovely wedding and of course what a beautiful bride as that was the person she was inside and out. She always had a smile and a kind word for everyone....that was Shannon. I will always treasure the beautiful candy cane scarf and hat she made for me for Christmas many years ago and I still received so many compliments as it was so unique and original just like Shannon. You all are in my prayers and thoughts.

“ Shannon, so many memories are in my mind, from your curly little ringlets when you were so tiny, to you spending the night to play with my kids and help take care of them. You grew from my sweet little Pookie to the most caring person and an amazing Mom. You will always be loved and remembered for your kindness and caring nature.

“ I will always hold all our memories dear to my heart, from game nights, to bonfires and BBQ, Birthday parties and watching and cheering in our children at soccer games for countless years. Going soccer with my boys 13 years ago was the best thing we ever did, not only because my boys love the game but because we became friends at first and then family, Shannon made everyone feel at home when they would visit, if you were there you were family and she let you know that. She was truly an angel on earth that touched the lives of everyone she was around. I am going to miss you my friend. I love you.
