“ *Shara was by far one of the sweetest people I've ever met... last school year my son decided to not come home from school. I was Hysterical when I got the call... Shara (without hesitation) got my address from my file grabbed my belongings and was going to drive me to Dearborn Heights from Royal Oak! She told me she absolutely would not allow me to drive in my condition! Before we made it to the freeway my oldest son called and said they had found him. He went to a friends house instead of coming home.... I told Shara she did not have to drive me all the way home I could drive since I knew he was okay. She told me to relax, breath and go straight home. She wouldn't even allow me to go back into the office! She did all this while not feeling the best herself but as always she was extremely selfless!*

I'll always remember her sweet spirit and her laugh! She'll be forever missed!!! Fly high Shara! Love always and forever the original Keisha ❤️❤️❤️❤️

“ *Never are there words that do it justice in times such as these. Yet, I would be short changing everyone if I didn't share the amazing brightness that Shara bright to her workplace.*

The day she started... She brought an immediate, calm, confident presence. A week into her start, she uncovered the horribly difficult challenge in front of her. Then she really "went to work". And every single day thereafter... Through all the highs and lows of cancer - Shara was all in!

She battled and won.

It is hard to say the right words around the impact she had on people. She was the person people talked to on their first day. She accepted every obstacle/challenge at work with grace, confidence, and persistence.

She was in my office less than a month ago - helping shape decisions that would effect the company's future. And again, with class and commitment - she was leading me through much of it.

I'm so bring blessed to have been able to have time with this woman. Shara was a tremendous blessing to me, Custom, her teammates, and all of the Custom families.

To her family... I'm so absolutely sorry for your loss - she was an amazing person.

I hope that you can hear from me the undoubted Heavenly gift she was to us...and somehow find comfort in her awesomeness!

“ I would like to send heartfelt thoughts and prayers to Bryan and all of Shara's family members during this time. She was a 'golden' Assistant Manager when I was working at Oakland Mall's GAP store and Shara made that experience in my life memorable. She touched so many through her actions, care and love of others. I am glad she crossed my life's path and I will always remember her greatly.

Sincerely,
Ed Segovia

“ I have only known Shara since January, but feel as though we had been friends forever.

She made me feel so welcome when I first started working with her. We shared the same

since of humor and were a lot alike in many ways. I guess that's why we got along so

well. She was extraordinary in the way she would never complained, never worried about

herself but always worried about others first, no matter how bad the situation. She always

seen the brighter side of life and had such an up beat and positive attitude. She is truly

an Angel and I will miss her greatly. I have nothing but fond memories of our time

together. Love you Shara! My heart felt sympathy goes out to her husband and kids.

Your family will be in my prayers.

“ I have known Shara since we were 6 years old. She was one of my closest friends growing up, as she lived right down the street from me. We rode bikes ALL the time, we made up silly commercials and tape recorded them (I still have one of those tapes), we drove our mothers crazy, and her older brothers. We were always there for each other as kids. I'm so sorry we lost touch before Facebook, and so glad we found each other again through FB. I have nothing but fond, loving memories. I love you Shara. I am holding her husband, children, and family in my prayers.
