“ Florence and Harvey, I am so sorry for your loss. Dad and I would have been there if we had known. We just heard the sad news during services at St. Lawrence. Please know that you are in our thoughts and prayers. Words cannot convey how sad we are for your loss. Love, Theresa, David, Brian and Katie Lee and Ray Martin

“ Mr, abd Mrs. VanDenBrouck and family, I wish to extend my condolences to you on the death of Sharon. Sharon was one of my Art students at Utica High School. She was such a nice person and wonderful student. I remember when Mr. VanDenBrouck built a spray booth for me so that I could use it for my pottery glazing. I remember Sharon saying, Mr. Enger, my dad can built that, and he did! My thoughts are with you and your family. Donn Enger
