“ Dennis and family, I just found out yesterday from my sister-in-law Susan about Sharon, your wife and Mother, passing. I am so sorry for your loss. Sharon was always so good to my grandmother. I know you all know this, but she was a beautiful, kind and loving person and will be remembered as such by all who knew her. I have not seen Sharon in many years, but I still have very fond memories of visiting your house on Plumbrook, eating over, playing as well as babysitting at times for Mike, Paul and Rachelle. I know losing a loved one is always hard, especially when it is unexpected, but I know you have a lot of good memories and hopefully those can help ease the pain of your loss. My thoughts and prayers are with all of you. Sincerely, Jeff

“*My sympathy to the Family. Sharon, you are a wonderful and awesome lady. I had the pleasure of knowing you at UCS never forgetting your forever smile and act of kindness as well as your wit. Remembering all the cool hats and shoes you wore, the time we went to the dairy queen and got you ice cream and you knew we did before we got back with it. When you wore the Lions shirt stating their loses "they won for you on Sunday". All the times we blew kisses back and forth to each other. I am going to miss you and will think of you everyday. My thoughts and prayers to the whole family.*

“ Our deepest sympathy to Dennis, Denny and the rest of your beloved family. Sharon was so kind when we would visit. I haven't spoke to her in yrs but I haven't forgotten all her wonderful qualities. We shared alot of the same interests, family, that amazing coffee, remodeling and Antiques. I had given Sharon a flower print plate with a wicker handle that was in my family for years, after my first visit to the Barnett home I just knew I had to give it to her. My daughter, Courtney, and I had attended a family get together with Sharon, Dennis and Denny, on the way home my daughter had said the funniest thing which she still remembers. I gave her the dont forget to be polite and dont have a fit speech, I threw in maybe one day the Barnetts could be your grandparents. Courtney was so cute she told them exactly what I said. We all laughed and I remember Sharon telling the entire family. Thank you Dennis and Sharon for giving myself and Courtney your acceptance. Sharon will be greatly missed by all

“ Denny & Family, There are no words to express this. "Barney" was and is one of the most beautiful women I know. She was my "alarm" clock for years. She was always there when you needed an ear. She didn't mince words, you always knew where you stood. She is a person you tried not to disappoint. I will miss her greatly, but I am so glad she was in my life and that I could count her as a friend. You guys are in my prayers.

“ Having worked with Sharon for many years in the UCS Transportation Dept., my co-workers and I were treated daily to her wonderful sense of humor and smile. Whether it was calling us knuckleheads and telling us to get back to work, or by humoring us when we picked on her colorful taste in shoes! In this time of sorrow we look back at all the times we had together and we will keep those memories forever. Your family is in our prayers at this difficult time as we all mourn Sharon's passing.
